

**Approval by Rule §806.22(f)**  
***Sample Newspaper Notification and  
Contiguous Property Owner Notification***

Notice is hereby given that on **month day, year, legal company name** has filed a Notice(s) of Intent (NOI) (**NOI-XXXX-XXX**) with the Susquehanna River Basin Commission (SRBC) seeking Approval(s) by Rule pursuant to 18 C.F.R. §806.22(f) for the consumptive use of water. The water will be used for drilling and development of natural gas well(s) on the **name** drilling pad, located in **drilling pad** Township(s), **drilling pad** County(ies), **drilling pad State(s)**. This NOI is not a request for a withdrawal from streams, ponds, or groundwater. **Legal company name** proposed to utilize water obtained from the following previously approved sources(s): up to **requested daily amount in gallons per day** from **approved source name, (repeat for each approved public water supply system, SRBC-approved source, and NPDES/SPDES permit holder)**. The peak day consumptive water use for drilling and development at the drilling pad under this(ese) request(s) would not exceed **peak consumptive use amount requested** gallons.

Comments referring to the NOI number(s) above should be submitted within ten (10) days to the attention of Damian M. Zampogna, Susquehanna River Basin Commission, 1721 North Front Street, Harrisburg, PA 17102-2391, telephone: 717-238-0423, ext. 219, fax: 717-238-2436, e-mail: [dzampogna@srbc.net](mailto:dzampogna@srbc.net).
