The undersigned hereby certifies that it will comply with all terms and conditions contained in the approval(s) referenced in the table above and assume all other associated obligations. The undersigned hereby requests that the aforementioned approval(s) be transferred or reissued pursuant to the following applicable subsection of Commission Regulation 18 CFR § 806.6. Please check all that apply.

- § 806.6(a) as a transfer.
- § 806.6(a)(4) as a conditional transfer. A request under § 806.6(a)(4) shall be conditioned to require the submission of an updated metering and monitoring plan consistent with the requirements of § 806.30.

- § 806.6(a)(5) as a conditional transfer. A request under § 806.6(a)(5) shall be conditioned to require the submission of new application(s) for review and approval of the unapproved activity(ies) of the project as described in § 806.6(b). The Commission will contact you to establish the deadline(s) for submittal of the required application(s). Please check all that apply.
- § 806.6(b)(1) – Pre-compact consumptive water use that has not been subject to approval or had mitigation approved by the Commission.
- § 806.6(b)(2) – Diversion that was initiated prior to January 23, 1971.
- § 806.6(b)(3) – Groundwater withdrawal that was initiated prior to July 13, 1978, that has not been approved by the Commission.
- § 806.6(b)(4) – Surface water withdrawal that was initiated prior to November 11, 1995, that has not been approved by the Commission.
- § 806.6(b)(5) – Project has a consumptive water use approval and has an associated withdrawal that has not been approved by the Commission.
- § 806.6(c) as a reissuance due to a name change that does not affect ownership or control of the project.

All requests must be submitted within ninety (90) days from the date of the transfer, or change of name, and must be accompanied by a new or updated Project Information Form (Form #72), and the appropriate fee as specified in the current Commission's Regulatory Program Fee Schedule.

Please note that the new project sponsor must operate the project subject to the same terms and conditions of the existing approval [§ 806.6(a)(2)]. If the new project sponsor seeks to modify any terms and conditions of the existing approval, a separate application to the Commission for modification must be made pursuant to §§ 806.14 and 806.18 [§ 806.6(a)(6)].

I, the undersigned, hereby certify that I am a legal representative of the project sponsor submitting this request and that I have the authority to do so.

I understand that failure to comply with all applicable requirements of § 806.6, including all submissions required thereunder, may subject the project sponsor to enforcement action in accordance with Part 808 of Commission regulations.

I further understand that this request and any related submissions are subject to the provisions of 18 Pa. C.S. § 4904, Section 210.45 of the New York Penal Law, Section 9-101 Maryland Crimes Code and 28 U.S.C. § 1746, whichever is applicable, relating to perjury or unsworn falsification to authorities.
