2.1 Brief Project Description

Sunset Golf Course is requesting a minor modification to Commission Docket No. 19990506, which authorized the consumptive use of up to 0.181 MGD for golf course irrigation in Londonderry Township, Dauphin County, Pennsylvania. The 18 hole, 229 acre course was purchased in the late 1960s by Londonderry Township, its anticipated long term user.

Well 7 was installed in 2017 and operates under an SRBC Emergency Certificate issued June 23, 2017. An application for groundwater withdrawal for Well 7 has been submitted to SRBC. Well 7 supplies water to Pond 7 which irrigates the front nine holes. The back nine holes are irrigated by a separate system that utilizes two ponds.

All three irrigation ponds are approved under Docket No. 19990506. This minor modification is to add Well 7 as an additional approved source.
