**Detailed Description of Project**  
**Application for Renewal of Docket No. 20170908**  
**Susquehanna Gas Field Services, L.L.C. – Meshoppen Creek Surface Water Withdrawal**  
**Meshoppen Borough, Wyoming County, Pennsylvania**

This application is for the renewal of SRBC Docket No. 20170908, which approves a withdrawal of up to 0.145 million gallons per day (mgd) of surface water from Meshoppen Creek, with a maximum instantaneous rate of withdrawal of 200 gallons per minute (gpm). The applicant is requesting the renewal of the approval with no planned changes in the existing site and no requested change in the presently approved withdrawal rate or quantity.

The withdrawal location and associated pumping, piping, and water truck loading equipment are located at the Meshoppen Swift Mart property located along U.S. Route 6 in Meshoppen Borough. The withdrawal site has been in use since 2009. The water withdrawal intake is located between U.S. Route 6 and the Lehigh Valley Railroad track/bridge. A complete description of the site and associated pumping and metering equipment is provided in the approved Metering Plan dated April 5, 2013.
