Edgewood by Sand Springs is currently approved for Surface Water Withdrawl and Consumptive Use under the following Susquehanna River Basin Commission Dockets: 19980102, 19980102-1, 19980102-2, and 19980102-3. Due to plans to eventually eliminate the golf course portion of the property, Edgewood is seeking a modification to extend these approvals for two years.

Currently, the above mentioned dockets are set to expire on January 15, 2023, with a renewal deadline of July 15, 2022. Edgewood is currently in the planning and permit obtaining process to develop the golf course into rental units. At this time, Edgewood plans to reduce the operation to a 9 hole golf course in 2023 and to cease golf operations in 2024.

Please accept this letter as our formal request to modify Edgewood by Sand Springs' existing dockets. If any additional information is needed, I can be reached via e-mail at [johns@sandspringsgolf.com](mailto:johns@sandspringsgolf.com) or phone 570-788-1101 ext. 1.

Thank you,
